

CityGroups

CityGroups are the core of what we do and who we are. CityGroups are 12-25 people living in community and sent out to serve others with the love of Jesus. They are safe places to join others in searching for answers to life's tough questions. We eat, hang out, and see what the bible has to say about life. We also find ways to bless and serve others in our neighborhoods. Each CityGroup has a specific people group they are called to serve.

Visit our next worship gathering or go to www.cityedge.org/citygroups to get connected today!

The Gathering

We gather weekly and hold public worship services to share the story of God and celebrate what he is doing in and through us. During this time our children also have an age appropriate time to learn the story of God and celebrate God's love through music and activities in what we call *CityKids*.

Location: Garfield Middle School
13114 Detroit Ave, Lakewood, OH 44107
Day & Time: Every Sunday at 10:30a

Join The City

The City is our online tool that helps us build community throughout the week. It is similar to a social networking website, but it is MUCH more than a "CityEdge Facebook." The City allows our CityGroups, ministry teams, and staff to communicate, coordinate, and share needs with one another. Think of it as a "church movement" website! To get setup go to <http://cityedge.org/kiosk> and follow the directions.

CityEdge Christian Church lives to...

love beyond reason
journey with God
and serve the city

THE TABLE

The image of a table evokes many feelings. It embodies our mantra to love beyond reason. God loved us with an unconditional always and forever love and we desire to love others with that same intentional love. We invest and invite people to live life together around a table.

Eat

If you really want to love someone you get to know them over coffee or a meal. We regularly eat meals with others as a practical expression of love and generosity.

Celebrate

Nothing says, 'we love you' like a party! We gather in celebration regularly to celebrate God, and each other. We celebrate what God has done for us, in us, and through us. Jesus loved to party, and so do we!

THE TEXT

The image of the text is that of a story. It embodies our journey with God. We believe God is telling a grand narrative of healing, love, and restoration. He calls us to find our story in His story. We discover our true reality and true identity in the narrative of scripture, aka the Bible.

Story-formed

The way you are formed by a story is to hear it. We regularly tell the story of God, and learn the stories of others. By doing this we can help each other take next steps to love God and people.

Listen

To journey with God we have to learn to listen to God's voice, His Spirit. We listen to God through the Bible to discover what he has revealed to us. Then we ask and listen, through prayer, to know how He desires us to live it out.

THE TOWEL

The image of a towel depicts a life of loving service. The purpose of a towel is to clean up messes. To enter in and put things back to the way God intended. We desire to live the self-less life of a towel. As Jesus laid down his life for us, we desire to lay our lives down for our great city.

Bless

'Bless you' should be more than a saying we use when someone sneezes. We encourage everyone to be a practical everyday blessing to others. We intentionally bless people through words, gifts, and actions.

ReCreate

ReCreating is about doing your work with God. No matter where you live, you are there to be God's servant. The image of a table evokes many feelings. We take time to work, rest, create, and restore beauty in ways that reflect God's glory.
