## Mission & Program Statement

**Full Circle Treatment Center** is changing lives; one teen, one family at a time, through early intervention and treatment of substance abuse.

FCTC is dedicated to reducing the harmful effects of adolescent substance abuse. Providing early intervention for these and other destructive behaviors supports healthy families and makes stronger communities. Providing parenting education and ongoing aftercare promotes sustained success.

### Values

- ❖ Early Intervention is the best chance for successful intervention.
- ❖ Everyone should have the opportunity to be free from chemical dependency.
- ❖ Everyone has the right to seek treatment and commit to recovery on his or her own terms regardless of his or her ability to pay for services.
- ❖ Everyone has the right to be treated with compassion.
- ❖ Everyone has the right to be treated with dignity and respect.

### Testimonial

*"On this day I stand before you with 238 days of sobriety, a great thankfulness to Dr. Chanter, Jordan, James and the entire Full Circle Staff, with a love for life that I once lost and most of all I stand before you with great love and respect for myself. Full Circle and*

## TOOLS FOR SUCCESS

- ❖ A comprehensive evidence-based curriculum to address teen drug and alcohol abuse with a whole family focus.
- ❖ Parent education complete with tools to support clean and sober teens as well as intervention strategies for other destructive behaviors.
- ❖ An environment that supports abstinence in the "real world" teens live in.
- ❖ Full Circle Treatment Center provides measurable positive outcomes in the treatment of teen drug and alcohol abuse within a family systems context.
- ❖ A consistent and qualified staff utilizing all existing best practices. Staff development
